“ So sorry to hear of Dan’s passing. I had the pleasure of working with Dan for many years at Alcoa. Dan was always a joy to talk with and he was a very caring person! Dan always had a smile on his face and treated everyone with the utmost respect, and yes sometimes when they didn’t earn it! Had many great “talks” reminiscing about the old-timers of the Entiat Valley! He will be missed, and the family should know he made a big impact on a lot of people!
Dan’s family remains in our prayers! Gods speed Dan!

“ So sorry to hear of Dan's passing and he will be missed by everyone who knew him. We were lucky enough to share the camping trips that he enjoyed so much. You were so good to me when I was there to visit after losing my spouse 15 years ago. My you have comfort in knowing he was a loving husband father and grandfather....Doris (Hall) Henry
