“ This is Doug's sister Mary in Chicago. Our family here is shocked and saddened to hear of the loss of Darcy. The last time we saw Darcy was when she and Doug came to Chicago for Caleb's graduation. We all enjoyed a visit together in a pizza place. Later, my son and his wife came to our house to visit with them. Our kitchen is small and usually seats 4 people, but all of us piled in together and had a wonderful visit; I think we ended up sitting on each other's laps. We very much enjoyed Darcy's fun personality and shared her interest in her counseling practice. She will be greatly missed. Our love and thoughts go to everyone there. Mary Marsh Miller, Chicago

I was a friend of Doug and Marcy's at a church in Manson we attended. She was there for me in a hard time in my life and would often offer to watch my daughter samantha when I had to work. Doug and Marcy always made us feel loved and welcomed. Her love for Jesus was very encouraging and inspirational. I am shocked and saddened by the news of Darcy's passing. Will be praying for Doug and Caleb! -Cheryl Story, Cedar Rapids, Iowa
