“ I don't know if anyone still monitors this site. I was sad to see that Dave had passed away. I knew Dave from the Jesus People group in Kelso, WA. in 1970. He was a great inspiration to me. his enthusiasm was infectious. I went to visit him in Lewiston, Idaho in 1970. His message about Elijah and Elisha has encouraged me and inspired me to this day.

“ Dear Dave, Dave was a joy in our lives at hooked on toys, my brothers store. Dave came to store to share stories ask about our family and to buy fish and hunt gear. He never complained at all. He took the time to go thru the store to find me and say hi .He always had a smile and asked about my brother. We will miss him but god needed another angel for sure. He will be smiling down from heaven. I was thinking about him the other day because we enjoyed his visits, He will truly be missed. Dave a good man big heart and full of joy. He will be missed. Think happy times when you think of dave. Dave is in our prayers. love you Dave xxoo The Kallas family
