“ *It has been many years since my family lived next to Ramseys. I have memories of chatting with Dave as a neighbor. In particular I remember giving Dave a ride home from downtown in falling snow and those red bricks on Orondo Street were so slick.*

“ *Some of the deepest, tearful, and breathless laughs I have ever experienced were induced by the razor-sharp wit of Dave "The Ramz" Ramsey. Not too long ago we were at dinner and he just about had the hostess talked into being wife no. 5. Truly he was one of a kind. I'm going to miss him. Heddy Hep, Heyyy...!!*

“ Goodbye Uncle Dave. Terribly missed will be visits to see you but remembered fondly will be all the good times. I remember your all day & night drives from Wenatchee to Mill Valley when we lived there just to visit us. Your big smile as you got out of the car and your down-to-earth demeanor will live on in my memories. I'm sorry I changed the pre-sets on your car radio stations. But, then, you made me sorry for it at the time too! It was great fun when you made that drive again to help us move to Los Angeles and you agreed to put the bucket of tropical fish (and the splashing water) from our aquarium in the back seat of your car. I'm sure you loved that. Then you drove even longer to visit us in LA so many times. It couldn't have been to go to LA so it must have been to be with family. You're at peace now but what you gave to us will live on forever.

Love, Your Nephew Paul Ramsey
