“ Greg and Brad; I remember chatting with your Mom so many times when she would be working the front desk at the clinic! What a lovely WARM lady she was, always smiling and always caring! Stay Strong!

“ Greg and Brad,  
I have so many memories of both Coy and Dody when we were all younger. Dody always had a smile on her face and was always so caring and happy. Both your parents were wonderful people and good friends to my parents. My thoughts are with you and your families. Gayle Barnes

“ Greg and Brad you were so blessed to have such loving parents. I am deeply thankful for the love and adjustments and Dody's love and caring smile. I loved her conversations as they were so happy and positive. God sent his best when he made her, and she will be sunshine to those waiting to see her in heaven. The loss of a loved one is very hard, and sometimes difficult to understand. The memories are gold and will be cherished forever. God Bless you and your families. Joanne Wallace

“ Greg and Brad you were so blessed to have such loving and caring parents. They will always be a special part of my life. Your mother met me at the door and your father adjusted me so that I was able to walk. Your mother's smile and positive words were always such a comfort to me. Dody was sunshine and love. May she meet her loving family and smile down on us. She was gold and I will miss her. God bless each and everyone of you. Joanne Wallace

“ Death leaves a heartache no one can heal, love leaves a memory no one can steal. ~From a headstone in Ireland ~ My memories of Dody's giggle and that twinkle in her eyes when she was so happy, will be with me always. I see her in my girls and even in their children. Rest in peace, Dody! Love sent to all! Cheryl and Wayne Jones
