

Dennis B. Flynn

October 9, 1944 - January 9, 2019

Dennis B. Flynn, 74 a resident of Wenatchee since 1987, passed away Wednesday, January 9, 2019.

Denny was born in Spokane WA. He attended school in Spokane and started to work for the Northern Pacific Railroad signal department on Valentine's Day, 1966. During his time with the railroad the Northern Pacific merged with Burlington Northern.

Denny wanted to become an Electronic Technician for the signal department, so he studied and became one in 1982. He loved his job and his territory was from Spokane to Everett. To be

centrally located he moved to Wenatchee in 1987 with his family. The last 8 years before he retired he became a supervisor for the signal department.

After working 39 years for the railroad he retired. Denny loved to keep busy so he took a part-time job at the Super Wash and

later called Jet Pro Express with new owners. He loved talking to people and worked for them 14 years. Besides working he loved to play golf and ride his motorcycle. He also loved his roses

in his yard and was proud of his vegetable garden. Denny had many friends and was well liked

by everyone. He had a smile that everyone remembers.

Denny is survived by his wife of 44 years, Karen Flynn; a daughter, Angela

Zanol and her husband, Zach; 2 grandsons, Abram and Carson Zanol; sister Judy Wilkes and husband, Bob and Sister Patty Erickson; and many nieces and nephews. Denny is preceded in death by his twin sister, Donna Thompson and his parents, Bernard and Myra Flynn.

The family thanks all his friends for their kind thoughts and love.

There will be a private Celebration of Life at his request. In lieu of flowers, memorials may be made to Wenatchee Valley Humane Society in his name.
