“ *Delores Conrad was our Aunt and we loved her so very Much..*

Auntie Delores was such a Cool Auntie I can not remember my Aunt every being upset with any thing in life. She always had a smile on her face and that little laugh of her. We would spent parts of our Vacations with Auntie Delores and Summer also. Us cousins had Great times growing because of all the Love..

RIP Auntie Delores You are safe and Home with our Loves that made the way before You.

No More Pain, Just Peace and Love for You now..

Till we meet again... Love You

“ *My mother was one of the most caring and loving people in this entire world. She loved her family, friends, even strangers. But most of all she loved Jesus. She is resting by his side now. Free from all the pain and hardship of this life on earth. I will miss her not only as my mother but also as my best friend. We shared so many things in life - bingo, VFW, four days on a train going to Santa Barbara and back, many many trips with the drill team, tons of birthdays, holidays, and just time sitting and watching tv. I love you Mom!*

“ *Delores was a great friend to me and my whole family. She was a great friend to all she met, actually. Her, my mom and I shared alot of laughs at all the VFW conventions over the years. She was always game for anything! She was a very cool lady and we will miss her. God bless her and her family*

My mom considered you and your family very good friends. She was also blessed with your friendship. Your mother and she were so much alike.
