“ Don and Susie welcomed me into their family many years ago when I moved to Raymond Wa. Don was one of the 'good guys', loyal to family and friends and fun to be around. We had many good times together. And oh how he loved his wife. Susie I want you to know that you and Don have crossed my mind many times over the years. I'll never forget our friendship. May God hold you close and comfort you, remember Don is waiting for you, just on the other side my friend. Dianne (Wheaton) Heilman

“ Don, you will always have a place in my heart and in my memory. The first time I met you, it felt like we had been "family" forever. It was your smile and your welcoming spirit that made me, and everyone you met, feel "special." You will be missed by all of us who knew you. You are an angel among the angels now.
