“ I met Don in 1974. We had many laughs together. He was great in so many ways. When he moved on from Tree Top we lost contact and I missed him a lot. He will be missed again. Rest in peace my dear friend!

“ My first best friend in this world. We had wonderful times together and I miss the laughs and talking everyday. Dad was such a good, caring person who was incredibly understanding and forgiving. This world lost a amazing person but I believe Heaven gained another one. Love you always and forever dad and I will see you soon.
