“ I was blessed to get to know Don towards the end of his journey, by that time the alzheimers had taken it's toll. Dons sweet spirit was so strong it shined through that cloud like a beautiful rainbow. I am so glad that I got to be a part of a team that kept him safe. I loved Dons strong spirit and his family, the trip that Doni and her Dad(Don) took was amazing, thank you for sharing this with all of us.
