“ Donna was a fun loving lady. We went to high school together. We played sports together which were not much in our days. She always had a big smile and loved life. Donna had the best laugh and that is what I think of when I think of her.

“ Our condolences to the family. Donna would come to checkers and get her favorite butter rum milkshake. She always mentioned the grand kids when she did as well as my sister in law Linda Jones. We were very surprised to hear of this sad news so sorry for your loss and we will keep everyone in our prayers.
