“ *Katie, Penny, and your entire family; I was so sad to read about the passing of your mom. She has always been a bright spot in my life. Whether it was ballet, the high school library, or church - she always had a smile and a kind word. She had such a lovely way of making everyone feel wanted and loved. Holding you all in my prayers and close to my heart at this time. Elaine (Miller) Parks*

“ Donna has been my true and loyal friend-for-life since we first met at St. Luke’s in 1970. She immediately got me into St. Margaret’s Guild (with delightful elder ladies she so loved supporting) and into choir (where she kept me on key!) She quietly engaged me and others in projects for the support of Camp Cross, for men and women in uniform and for the poor and needy. Wherever there was a need (mine included) she was always just there. I treasure the friendships we shared in an early morning prayer group and in another prayer connection we had with the Community of the Holy Spirit. Then and always we had some wonderful good laughs together. But her biggest pride and joy has been her family. In our later years, she loved sharing that with pictures. Ours is a better world because of Donna. With loving encouragement, she has surely blessed mine.
