“ Aunt Dorthy was so very good to my Sister, Brother, Mother and I each time we visited while growing up. We had a lot of fun during each visit.

*I did not call as often as I should of. During one call she had mentioned that she was 29. As I had not brought up age and I was not going to disagree with what she had said about her age. She chuckled and when someone gets her age they can switch the numbers around of her age. I chuckled, we had a good conversation that day. I feel very fortunate to of had such a good Aunt. Thank You Aunt Dorthy, I will miss you.*
