“ *Dougie, You will always a part of me. I will forever feel your strength when I need it most. Your gone now but you will never be forgotten. I can't say this to your face but I know you hear me. I will see you again. When I am lost and I am missing you like crazy, I tell myself I am so blessed to have had you in my life. In my darkest hour I tell my self I will see you again. Thank you for the last three years Dougie. I miss you like crazy but I will see you again.*

“ *Doug always called me Hammer and we always called him Ducky. It seems I have known him forever, but definitely before the boys were born. We all used to hang out together and play "tag" with CBs, that's how I got to know him.*

“ Doug although you may be gone from my physical world you will always hold a part of my heart. You gave me the most amazing pieces of you in our boys and for that I am eternally grateful and indebted to you. I will do my best raising our boys and I hope to continue making you proud to call these fine young men yours! So until we meet again.....Rest In Peace
Love Always Jamie

Jamie, I remember Doug calling me shortly after the boys were born (both times). They were the light of his life and I know you will do him proud.
