

Edward G. Tippen

February 23, 1953 - January 18, 2026

Edward G. Tippen, 72, of Entiat, Washington, passed away peacefully at home on January 18, 2026.

He was born in Wenatchee and later moved to Entiat, where he graduated from High School and began a career as a hydroelectric operator. He took pride in his work and retired after more than 30 years of service.

An avid outdoorsman, Ed found joy in the natural beauty surrounding Entiat. His favorite hunting destination, however, was Montana. He also had a passion for classic cars, often spending time admiring, restoring, or simply enjoying them with friends and family. Above all, he will be remembered for his steady, calm disposition, and his quick laughter that could brighten a day.

He is survived by his wife, his daughter, his mother, and his siblings.

A memorial service will be held at Entiat Cemetery on April 2, 2026, at 10:00 a.m. All who knew and loved him are welcome to attend.

“ Ed you are one of the great ones that will be missed. Always a smile and a genuine person that always took the time to say hello. You loved the Entiat Valley and always cherish your friends who showed up to have a beer on your deck. You will be missed. Patty you are in my thoughts and I hope you have a great support during this horrible time.
