“ Our thoughts and prayers go out to Eleanor's family, she will be missed by all who's life she touched. She was an inspiration to me in more ways then one, when I was teaching myself to can veggie & fruit for my family she was there if I had any questions. She shared her love of Iris flower with me, now my yards is a rainbow of color. May the Lord hold you in his loving arms until we meet again. You are missed my friend.

“ Over the past few days I have been thinking about you and my memories from my childhood. I have a number of fond memories from going camping with you and Grandpa. We would stay up late playing cards and you would always buy me twigs to snack on. I loved learning Shanghai and rummy as well as a number of others. I also remember you taking me to the library so I could pick up some books but usually I would just get Archie comics because I liked them much better. Bat stew at Halloween time which was really just pot roast but you made it fun for Christina and I. I will miss you and I am sorry I cannot be at your memorial but I will be thinking about you. I'm sorry you had to go through so much hurt before your eternal rest with God but I know you are finally at peace and that brings solace to me and the rest of the family.
Love you.

My heart is heavy for the loss of my friend you were such an inspiration to me in more ways than one. When I first started to learn to can veggie, fruit, you were always there if I had a question. You shared your love of Iris's with me, now my yard is full of the same beautiful flowers. You were a wonderful neighbor for many years, so full of life. I will miss you my friend, you will always be in my heart. May the Lord wrap his arms around your family in this time of sorrow.
