“ I have just learned today that my great aunt Ella passed away. I am the granddaughter to Ella's sister Seonna. I remember as a young child playing in the garden in the house in Peshastin and admiring Uncle Alden's can collection in the garage :). Can someone from the family get in touch and let me know if I can get a hold of information from the memorial service.

Thanks

“ I think my most vivid memories I have of Aunt Ella would be how she would lovingly cook Alden's lunch for him when he would come home from the mill. So old fashioned and so devoted. North Dakota sausage, potatoes, fried eggplant and cantaloupe from their garden. Never heard of wheat germ, honey, or rose hips until I saw Ella's health food stash. She always told me to stay away from white processed sugar! She was such a loving, giving person.
