

## Eloise D. Jansen

November 20, 1919 - January 5, 2016

Eloise D. Jansen passed away peacefully on January 5th, 2016, to be with the love of her life of 74 years, Ora D. Jansen. She was born on November 20, 1919 to Henry & Georgia Gray in Chelan, Washington. She was a lifetime resident of Wenatchee, Chelan & Manson, where she attended Chelan High School.

Eloise & Ora were married on June 6th, 1941 in Chelan. They moved to Wenatchee to build their life together and raise their 3 beautiful children. Eloise even raised the children alone for a while when Ora was drafted into the Army in 1944. Eloise worked at the Blue Chelan Apple Packing Co. as the supervisor of the Golden Delicious line for many years and retired in 1981 so she and Ora could live their golden years side by side doing the things they loved. Eloise was such a sweet, loving, kind woman who was loved by so many; she made people around her smile. Her greatest pleasure in life was seeing her children and grandchildren healthy and happy. She always did whatever she could to make that happen. She loved and was so very proud of her family. She valued the simple things in life and never took anything for granted. In her spare time she loved to crochet, do needlepoint & make beautiful afghan blankets. She also loved her flower and vegetable gardens. Her family will carry on making her famous Butterhorns (they are the best) along with her squash pies.

Eloise was preceded in death by her parents; her sister, Geneiva Sidie; and her loving husband, Ora D. Jansen (who just passed away on October 29,

2015). She is survived by her 3 children, son Dennis D. Jansen (Rose) of Spokane, WA, daughter Judith D (Miller) Jansen of Cushing OK, and son Thomas D. Jansen & wife, Debbie of Beaverton OR; many grandchildren; great-grandchildren; nieces & nephews.

We feel very blessed to have had her in our lives for so many beautiful years.

A Wife, a Mother, a Grandmother too,

This is the legacy we have from you,

You taught us to love and how to fight, for what is right.

You gave us strength, you gave us might!!

It's your kindness, your Spirit, your Love

This is the greatest gift of all.

It's a Love that will last for Eternity.

So Rest in Peace, until we meet again.

Your Love in our Hearts will Eternally Keep.

We Love You so very Much!!

“ Ora & Eloise lived next door to our family for over 20 years in Wenatchee and were just wonderful friends and neighbors. They would do anything to help us and we shared many stories over the years. They will be sadly missed but we feel so blessed to have them for such a long time. Lovingly, the Damish Family.

“ Ora & Eloise - Oh how they were loved by my family. Saddest day was when they moved away from South Chelan. But I am happy they enjoyed life as long as they did. They were part of my foundation of growing up, they were our next door neighbors and they loved on me as we had many talks across the fence while they were gardening. Thank you for being part of my life Ora and Eliose!
