“ *Ernie was a fantastic neighbor. He always had a friendly wave when passing by on his tractor. Ernie plowed my driveway, as he did other neighbors, in the winter for over 30 years never expecting a payment. He will be forever missed. My sympathy to Maria and the family. Chris Jeffris*

Oh my gosh, I'm so saddened by hearing about my swim team dad passing! I'm so very sorry for your great loss!! What a great man he was!! I just loved him and his great big super sense of humor!! My memories of him will never fade and I'm truly heartbroken myself!! He was one of the best swim team dads ever and the sleepovers were absolutely the best as I'd fall off to sleep dreaming of eating those delicious beer-battered pancakes that Ernie was so very famous for!!! Those days were so much fun and gave me a special friend.....Denise! As we've all grown older now, the many memories seem like they were just yesterday! We moved to Quincy about 36 years ago, and for many years would drive right by the Holland's new house and see Ernie on his little tractor making that lawn and orchard neat as a pin but, I was so saddened when he blocked the beavers off his lawn for good!! We'd honk and wave at him and sometimes he would wave back probably wondering who are those idiots??? I especially loved that hat he wore when outside !!! So, in closing... I'm praying for you!!! God Bless you all and may He keep you in His loving arms!! To Mrs. Holland, Denise, my always friend, and of course, Duggie, I love you!! ❤️
