“ *My Best Friend,
You will be missed so. You brought sunshine into every ones day. We had so much fun cruziin the Ave at Apple Blossom time. We didn't get to go camping as often as we should have, just kept putting it off, but we had fun when we did. Every time we got together we would end up laughing about something dumb. I enjoyed every minute I spent with you. I am so glad I met you and our families became one, I love your kids and hope to keep all of them in my life. You be good up there on your cloud an I'll see you again. I love you, thank you for friendship.
Love You, Debby Bonwell
P.S. Frank sends a Big Hug..... Love you...*
