

Esther L. McAmis

February 6, 1933 - March 26, 2016

Esther L. McAmis, 83, passed away on March 26, 2016. She was born to Ingvald Stalvik-Berg and Martha Inglestead-Berg of Everett, WA on Feb 6, 1933, and graduated from Everett High School in 1951. She moved from Soap Lake to Wenatchee in 2002.

All who knew Esther knows that she was truly one of a kind. Her intellect, knowledge, creativity, and great sense of humor were undeniable. She was full of spunk and you just never knew what she would be up to next, but whatever it was it would be memorable. Her interests, ventures, and accomplishments in life are too numerous to list, for she was always seeking new outlets for her creativity and knowledge. She could be your steadfast friend or your most vicious foe, but for those she held dear she would give you her all. Thankfully she left behind a long trail of wonderful and unforgettable moments for everyone to remember her by. She was indeed a most remarkable woman and her shoes can never be filled; mainly because she had so many of them!

A beloved wife, mother, grandmother, great-grandmother and friend, she will be missed as much as she was loved. She will live on in the hearts of those she touched, for nothing loved is ever lost and she loved so much.

Esther is survived by her loving and supportive husband of 42 years, Richard

McAmis. Her three intelligent and beautiful daughters: Madchen Sen, Renee Belisle, and Nikki Keating. Seven grandchildren: Gabriel, Ashley, Tanner, Lily, Rumer, Brittney, and Taylor. Five great-grandchildren: Piper, Odessa, Pandi, Tatum and Harper.

“Richard and Family,

I was sorry to hear of Esthers passing. We all had our ups and downs in our several years at City Council meetings. She was unique! All things must pass, All things stay the same. Cherish her in your hearts.

“ *The world is not as good as it was when Esther was with us. The impact that Esther has had on my life for 35 years is immeasurable. Esther and Richard opened their home to me when I was in my mid 20s and helped me through a difficult transition in my life. Esther's outlook on life and her uncanny wisdom always had a profound effect regardless of the situation. I always looked forward to any communication I had with her. I felt , and still feel, her spirit. I'm fairly sure that I never was able to fully express the love and thankfulness I had for Esther, but I also feel that was never Esther's motivation for being the wonderful person she was. I take some comfort knowing that Esther is at peace and free from pain. R.I.P. dear friend.*
