“ If you were a kid in Brewster, you got you hair cut by Gene and
Elgin. One time I did not get it short enough and Coach Olson sent
me back. Gene did it for free. I grew up in the same neighborhood
where his family lived.The old Brewster is one big family.

“ *My father was such a sweet and loving man. As the Barber of Brewster for many years he gained many long lasting friends. I got to share a lot of those memories with facebook friends who remember him fondly. I was able to spend 6 weeks with him prior to his passing and feel blessed to have been able to do that. We got to talk about all his memories and he referred to his years in Brewster as his most missed and cherished. He has now joined my mother Viola in heaven and I hope she has made him some of her homemade biscuits and gravy. Love you Dad.*
