“ Gene, I only knew you for a short time, but in that short time we came to love you. Cadence and Liberty were deeply saddened by your passing, regret flooded my thoughts as we didn't get to see you one last time. The suffering is over and you are in the presence of the Lord. I knew from the first five minutes I spent with you that you were a man of honor. It was a pleasure to have helped you to be comfortable in the last few months of your life. Until we meet again, sweet man, rest easy. Love, Heather, Cadence and Liberty.
