“ You were a great guy Uncle Everett. You were always busy building and remodeling. As I grew up your house was a constant project which I got to witness transform. I'll never forget all the Thanksgivings and Christmas Eves where your house acted as home base. You were always patient with all the kids running around. You were a fantastic caregiver to my Auntie Pat. You were a wonderful brother-in-law to my dad. Thanks for letting me spend so much of my childhood watching movies in your living room, chatting on your computer, swimming in your pool, and rolling around on your enormous lawn.
♡ Love you ♡
