

Fern Elaine Shank-Barnes

May 26, 1950 - June 6, 2015

Fern Shank-Barnes, 65 of Entiat, passed on June 6th 2015, at home with her husband John on their 30th wedding anniversary, after 16+ months of cancer. She was born at Entiat on May 26, 1950 to Les and Elaine Shank. She spent most of her life in the Entiat Valley.

Fern, and her sisters, grew up helping their dad and mom with the family logging business. Fern continued working with her dad until both retired in 2013.

She fell trees, drove log and dump trucks, operated backhoes, skidders, dozers, delimiters, loaders, and excavators. Not too many gals worked in this business in the 1970's but she earned the respect of anyone who doubted her when they witnessed her operating the equipment. For a 6 year stint she was co-owner and manager of Cooper's General Store in Ardenvoir, Washington. She would tell you straight up what she thought, which made her a special friend to many. She always had a warm welcome and a hardy sense of humor. Fern married John Barnes on June 6th, 1985 in Entiat. During the marriage, they survived 10 years of working together, building a house and managing Cooper's Store. It was truly a loving friendship of 30+ years.

Fern is survived by her husband John Barnes of Entiat, daughter Nikki Daggett and granddaughter Sevanna of Wenatchee, daughter Lacey (Dave) Kirkpatrick of East Wenatchee and expected baby, her sisters Linda (Jim) McHargue of Entiat and Cheryl Shank Steen of Cashmere, and her father Les (Sharlene) Shank of Entiat. Fern is also survived by numerous Aunts and

Uncles, cousins, nieces and nephews.

She was preceded in death by her mother Elaine Shank of Entiat, sisters Beverly Shank of Entiat and Barbara Wick of Auburn.

Memorial services will be held at the Warehouse Community Church, 14916 Highway 97A in Entiat, Saturday June 13, 2015 at 11:00 AM. Please express your thoughts and memories on the online guest book at jonesjonesbetts.com. Arrangements are by Jones & Jones-Betts Funeral Home

“ As Fern's Aunt and Uncle, we wish we could have spent more time with her over the years. Living so far away, we could spend only limited time on the occasions when we were visiting relatives in the area however, she will always be remembered as a beautiful lady, warm and friendly to everyone. She was so dedicated to her family. She will be so missed.

“ My family has such fond memories of Fern. As a young girl I remember how close she and my dad were as they logged together. Then when I moved back to the valley she and Les helped us excavate for our house just around the corner from her and John. Now my kids have built many memories with her and John. For years they went to John and Ferns "pumpkin patch" for Halloween. And they LOVED going to their great sled run with a great fire while they drank hot chocolate. We've been very lucky 😊

My memories of Fern go back to Entiat School. Being the same age, we shared many fun times and I was always in awe of her working with Les in the woods. My Dad was also a logger and I often wished I could be as talented as her to have worked with him on a daily basis. Fern & John made up an incredible couple. No matter how many miles separated us, both of them always welcomed me back into the "Ardenvoir" fold when I came to visit. Fern will be sorely missed.
