Tribute Wall

“ He was a good hearted individual, we shared many laughs with him. Anytime we needed some help with getting work done on a car he would do it without expecting anything back in exchange. He will be missed, but he's no longer in pain. May God bless you and keep you by his side.

“ Flavio was the hardest working guy I know, always providing for his Family and would do anything to help a friend in need. He will be missed but not forgotten
