“ *"Ma" Matt will forever shine in my heart and life. Honored to have been one of her "adopted" daughters and always a welcome guest at Matt clan gatherings. Her life lessons and examples live on for me. Attached is one of my favorite photos of Flora with her lovely daughter, my best friend, Anne...*

“*Flora, a friend, a mentor, a living saint. Flora didn't know a stranger for she was a true servant of God always wanting to make everyone feel loved and welcomed. Within a week or two of coming to Wenatchee she started a Rosary prayer group on Monday mornings. She soon offered to go to the migrant camps with the sisters to help them with their midweek services. Once she realized that many of the migrants either did not have a rosary nor had some of them ever prayed the rosary, she let all of the rosary makers known to her that she had a great need for rosaries for these men and women. Soon many of us were making mission rosaries by the hundreds for her. Her love for God and for Mary touched so many lives. She encouraged many, many people including myself to make a Curcillo so that we could draw even closer to God through prayer and meditation. Flora's many prayers for others gave strength, peace and hope during difficult times. Thank you God for giving us this beautiful woman who was such a dear friend. While we will miss her presence here on earth, we know we have a powerful prayer warrior in Heaven.*

Flora was very much loved by almost everyone in St. Joseph's and everyone I know considered her a saint. The funeral Mass today was a beautiful tribute to God by this woman's life and the homily, delivered by Fr. Osmar expressed the general sentiments of those present, a very sincere, heartfelt tribute to all she did to honor God and the Church. Flora influenced many by her example. I was privileged to be with her and pray for her 2 days before she died and she allowed me to pray with her and for her. Now we have another friend in Heaven. Dear Flora, pray for us!
