Gary,

You are not forgotten. I think of you continually. The other day, a story that Mom had told me about you when you were little popped into my head and I went through my day thinking about Foup. Mom said you couldn't say your S very well and you always asked for Foup instead of Soup. You gave me a cute chuckle the entire day. Don't eat all the chicken and I'll see you soon.

 Lots of great memories! RIP Gary.

 Gary belonged to the First Baptist Church youth choir. He is in the third row far right side.

 We had great fun under the direction of the Balcoms.
