“ To Georgia's boys. I am Peggy (Hutchison) Stafford. My sister (Chari) and I just now heard of your Mom's death. She was the only Aunt we had left on Dad's side. We are so saddened and shocked to hear. Very sorry for your loss. If you see this post, please contact Chari, she would love to talk to you. She has tried many times the past few years to get in touch with Georgia. Again, our deepest sympathy. 4068264292

“ Georgia,
You were a dear sweet lady with such a kind soul. I loved watching your enthusiasm working out at the gym all those years, your dedication to and love for your children.
You were such a good friend to my Grandma (Kathryn Jessen). I appreciate all you did for her. Say 'hello' to her for me.
The world is a better place for your presence here.
With Love,
Laura Jaecks
