Gerry was a wonderful person and associate. I met Gerry almost 27 years ago and remember a small man with a HUGE smile and a wonderful attitude. I would call on Gerry when I needed help or advice and he never said no or was too busy to lend a hand. I will miss bumping into him around town, but I will always remember his friendship and warmth. God Speed Gerry.

I met Gerry through Projects that he was the electrician on, and in the past year or so we became friends and in just the past months, he would come to the ranch and help me with my wiring. He shared with me who his house keeper was, Sophia, for which I am extremely grateful. She is also a close friend to Gerry as well and we will both miss him so. God Speed Gerry.
