

Geraldine Ann Kuehl

November 24, 1955 - December 2, 2014

Our beloved Geraldine Ann Kuehl passed away, unexpectedly, on December 2, 2014 at the age of 59 years. She was born November 24th, 1955 in Bremerton, WA. For the past 26 years she resided in Cashmere, WA where she worked in the insurance industry and restaurants where she made life-long friends.

In 2003, Gerri joined the Department of Social and Health Services. In 2006 she was transferred to the Department of Fish and Wildlife, where she worked as an Administrative Assistant until her death. She loved it when the team brought in rescued bear and cougar cubs, and when she had the opportunity to go into the field to help.

Gerri was an avid reader, and also loved jigsaw puzzles and gardening. She possessed a magic touch with her plants, and was noted for her special talents with succulents and cactus plants. Over the years, Gerri and her husband, Harry, welcomed family and friends to their mountain retreat where very dear and lasting memories were created. She laughed long, loved deeply, and will be greatly missed by us all.

Gerri is survived by her husband, Harry Kuehl; her two daughters, Stephanie Tellez of Arizona and Sara Trowbridge of Kirkland, WA; five grandchildren, Riley, Abby, Max, Ben and Sophia; two sisters, Penni Wilbur-Schneckloth and

Lorri Dietmeyer; her step-father Gene Timmerman and many friends,
extended family and co-workers.

A private family service will be held in the spring. Please express your
thoughts and memories on the online guest book at jonesjonesbetts.com.

“ She could always make me smile. I remember her wanting to try to grow a piece of a flower tree we have. She stopped by and my husband helped her get some roots out. Her and i laughed about how hard it was to re-tree! We will all miss her so.
