“ *Dad, you will always be remembered for your sense of humor and your love of the outdoors and your grandchildren. You will be greatly missed by your family. Your pain is over and you have gone to join the other angels. I know you are now at peace and happy to reunite with your brothers and your parents. I love you Dad and will always hold a special place in my heart as only a daughter can.*

“ You will be missed by your family and friends. Glad we were able to spend some time with you and that you will be watching over us from above. Rest in peace.
