“ Gordon had an infectious..... great attitude ! His glass was always 1/2 full , the lake was always calm and the bite was always going on. So fortunate to go through most of his life with a sweetie like Margie. He told great stories always knew the "lowdown" around. Yup gonna miss my friend :~))

“ Sorry to hear of Gordie's passing. I enjoyed spending many hours fishing with him. I saw him at Dave Zinecker's memorial service but did not have the opportunity to speak to him. I wish I could make it to Gordie's memorial service to extend my condolences. But due to health reasons I will be unable to attend. Our thoughts and prayers are with him and his family. “ he had the best attitude of anyone I've ever known.....
he never went anywhere without it
the fish were always going to bite
the lake was always calm
just never seemed to be enough hours in a day to enjoy it all..
SO loyal to his sweetie and his friends.....
he took such good care of everything.
a rare boy !!

“ I will always remember Gordon for taking the time to share his
fishing prowess and football knowledge with me whenever our paths
crossed. He always made me feel like we were old friends and part
of his family. I will truly miss his sly smile and that encouraging pat
on the back he used to give me as I walked out of the family store to
go fishing. God bless you Gordon, you will be thought of whenever I
am fishing and especially when the Seahawks win the Super Bowl.
Enjoy the good lords fishin hole buddy cause "I hear their biting".

Marge and family you are in our thoughts and prayers.

“ Gordon was a good friend from the day I met him in 1985. I owned a candy and tobacco business and watched him and Margie build Big Wally's. After it opened I serviced Big Wally's once a week for years. Gordon and I would talk fishing and Margie made sure we took care of the store business at some point. When the bigger suppliers tried to push me out Gordon and Margie stuck with me as a supplier. They were very loyal to people including myself-a quality that is hard to find these days. Gordon will be missed by all who knew this wonderfull man. God will help Margie.
