“ Mrs. Lester was a wonderful lady and the mom of my buddy, Donnie Lester. I spent many summer days in their back yard swimming and playing chess and hanging out with Don and going for drives with Don in their blue VW convertible. She was always very nice and I remember her inviting me to have a bologna sandwich with mustard and relish which I appreciated very very much. Mr. Lester was a great guy and so was Donnie and Debbie and Jo Lester. A nice family. So long ago but I can see them all so clearly in my minds eyes and remember them all very well and very fondly.

“ I best remember Grace for being an enthusiastic supporter of the program called Rebuilding Together. She put her money where her month was and inspired others to participate.

Sincerely,
