“ *We were so saddened to hear of Hazel’s passing. Both she and Ken were such thoughtful and caring neighbors we felt like family. Even when she wasn’t feeling her best or was worried about Ken, she always had a smile and kind word to share. I’ve missed them both, but are sure they are together again. Your in our prayers.

“ We are so saddened to hear of Hazel’s passing. We were so very fond of her and I don’t think I’ve ever met a dearer person. The whole Yancey family are a blessing. We rejoice with you in knowing that she’s waiting for us on heaven’s shore. May the Lord hold you in the palm of his hand.

“ Jim and I would like to express our deepest sympathies and condolences to Hazel's family. Words can't express how we feel. Hazel was one of the most caring and loving people you would ever meet. It was a privilege to be part of her family. Family meant everything to her. Any time you were in her company, she enjoyed sharing things about what was going on with her kids, grandchildren and other family members and was interested in hearing about your family also. I don't remember ever seeing her when she wasn't smiling. Hazel was a deeply religious person so I know that she is happy now to be back with her husband Ken and other past family members.
