“ *The Haley Family wish to extend their sincere condolences to Mike and Shelley along with the rest of the Lowers family in the passing of their dear father. As a parent nothing is more gratifying than the happiness and success of your children, and the legacy of Mr. Lowers can be seen in the wonderful lives of Mike and Shelley and their siblings. We pray that God's comfort can be found in the knowledge of your future reunion with loved-ones and the example Herb provided in a life well-lived. Love always - Pat & Adele*
