“ You will have peace Hollis, thank you for being such a warm and understanding person. The smile you gave willingly is being passed around by many. You are a wonderful person and I'm very glad to have worked with and gotten to know you a few years back.

“ I so enjoyed Hollis over the years. Her house and heart was always open whenever you needed to talk. Her love of the Lord brought me to the Singles group at the FM Church and to a wonderful church home. 30 plus years with a great friend--I will miss her.

“ Hollis was always kind, always hospitable and gracious. I am so thankful that she found Oz later down her road of life. I appreciated them both so much! May God give great comfort to every family member.
