“ *Holly was absolutely wonderful. We shared laughter, truths, and agonies in our common profession. I am so sorry for your loss. She was a lovely soul, and I will miss her warmth, our chats, her funny irreverence. She truly made a difference in my life.*

“ *We just want to add our sympathy to the family. Holly was definitely a positive addition to our lives. Holly has done our taxes for many years and we always enjoyed talking to her throughout the years. She has always been very professional and did a great job for us. Her passing leaves a void in many lives and we will miss her great sense of humor as well as her wonderful laugh. God bless you Holly. Blessings to her family. Gayle & Scott Thompson*

“ Hello Family,
I just got the news from my Aunt Pearl, and Mother regarding Holly's passing. She was a very good friend to me for many years. We spoke on and off throughout the years, and I will miss her dearly. “ Hello boys. This is Laura. I worked with your Mom for 16 years as her secretary and receptionist while Jim Franklin was still alive. I can't believe she's not here any more. I know you'll see her again when Jesus returns and the general resurrection.

I sure loved her and know one laughs like her. We'll all miss her. My deepest sympathy to you all.
