“ Brian and Cam: Please accept my condolences on the loss of your Dad. I remember meeting Homer when I was a kid while visiting Brian, and talked with him briefly a couple of times up on the Ridge- I thought, hmmm, Brian's Dad seems pretty normal after all:). Your Dad led an interesting and meaningful life, and raised two fine sons! His passing is a loss for all who knew him and the Wenatchee valley. Fair Winds and Following Skies, Mr. McNeill!

“ I have nothing but good memories of Homer and many pictures of great times at Mission Ridge with Homer, Cam and Brian. Homer was a fine and honorable man. He was a great friend to us. God bless and keep you.

“ Dear Cam & Susan, and all family & friends of Homer,

We are sorry to hear of your loss. It is our loss too, having never met Homer but knowing he must have been a great man having met his son, Cam. Our plans to meet him @ the Master Gardeners this spring will not come to be. But we will appreciate his work none-the-less. Lori & Paul Allen

“ Saddened to see that Homer had passed away. He was a friend and acquaintance to my parents and our family for many years and it was always a pleasure to visit with him. Thinking of you and yours

“ I have always been in awe of Homer. He had a level head and a mild temperment, ( both of which I lack and would like more of ) I think that is why I got along so well with Bry. He raised two great boys and will be missed. You are in my prayers!!! P.L.
