“ I remember the after school bible class at the Smiths, Irene was so kind to do that for the Orondo children. She was a blessing to our community.

“ I wish Gary and I could be there to celebrate the life of Aunt Irene. She was such an amazing mentor , Aunt and friend. So many church functions, camp meetings, family gatherings. She was always available with a listening ear and heart of gold. She opened her heart to so many foster children, Sunday School children, maybe her loving heart contributed to Gary and I also becoming foster parents, and sharing our hearts with any who needed a home, someone to love them and care for them. The whole family is very special to Gary and I, and we were so blessed to have Aunt Irene in our life, her prayers, and her love. God bless all of you today as you celebrate this precious ladies life. We love you and our thoughts and prayers are there with you.
