“ I just learned my old dear friend, Iris Cole passed away. The world feels a bit emptier without her in it.

*Iris and I hung out together in the 90's, we were both in real estate. We had some pretty silly times together. I think if there is one thing Iris would like to be remembered by is her compassion for her fellow man and fellow women, as well as for all the 4-legged creatures of the world. She was very accepting of all, and never had a mean bone in her body.*

*Iris loved and adored her family. She was so proud! I am so sorry for your loss.*

*Iris and I kept in touch periodically after both of us left real estate. Unfortunately, it had been several months that neither one of us had reached out. I wish Iris Cole God Speed, and I will see you again on the other side.*

*Love Jill*
