BE

“ I didn't know a more intelligent or more kind person through our four years of medical school. I was always glad to see you. This hurts; especially thinking of you having this much hurt. Looking forward to seeing you again someday! Your friend, Ben

DS

“ James will always be held very dear to my heart. He often talked about his mother and how beautiful she was. He loved his children more than anything and I know that that love will continue from the other side. I pray for peace and comfort for the family. James' absence has left a very deep hole in all of our hearts.
