“ Our family has been blessed to have Jim in our lives. We loved him very much. He always had a smile that could brighten the most dark days and a laugh that you could not resist. He was in the right place at the right time. When our daughter was small we were down at the river swimming , she was playing and fell into a tidle pool that was over her head Jim was the closest to her reached in and saved her she came up spitting and sputtering and grabbing Jim. He has been her hero ever since. We will miss him so much I know he is up with God making him laugh and watching over Bonnie.

“ We have been neighbors with Jim and his wife Bonnie for 25 years. Jim always had a smile on his face, loved standing and visting over the fence with all of us. Jim will be missed by all of our neighborhood friends. We will miss hearing jim and his tractor and log splitter going. Rest in Peace Jim.
