“ Hi Jim; This is your cousin,  
Just wanted to thank you for all the fun memories we shared.  
Like the time you let me ride your donkey Rocky; and you  
conveniently gave him a swat on the rump to make him run. I was  
only 6 and hanging on for dear life.  
Then there were the toboggan rides. You would insist on putting me  
up front to shield you from all that snow as we rocketed down the  
hill.  
But come each spring you did show me where to find the pine lilies  
and shooting stars. You and Ann would also hide Easter eggs for  
us. One Easter it took a whole year for Doug and me to find a few of  
the boiled eggs. Phewee!  
Thank you for the opportunity to drive my father's 1947 Jeep that  
you restored, in the Classy Chassis Parade.  
We will miss you. Shelia
