“ *Jim, Jodi, and Steve - I was saddened to learn of the passing of your father, Mr. Mills (he always was and will remain Mr. Mills to me). I would sum up my memories of him as simply, he was a gentleman. It was always a pleasure being around your parents and your family. That was true at the home in Wenatchee or the cabin on Lake Chelan. They were gracious hosts and truly friendly people. We had a lake house here in Houston for a few years and I tried to emulate here the feelings that I had at Lake Chelan. Guests were always welcome and we could always find a way to squeeze in couple of drop-ins. It was always fun that way.*

*Carol and I offer our sympathies knowing that you have many warm memories of your times with Mr. Mills to cherish.*
