“ My sincere condolences to the family. I met Jim many years ago through ham radio. Our sons were also in the same class at Issaquah High School and were friends. Over the years, we kept in touch and saw each other occasionally at a ham radio get-together. He was a fine man and I will miss him. 73, Jim

“ *My condolences to the family on the loss of a great man. I first met Jim when I took my ham radio test a few years ago, Jim was one of the test examiners. Jim was great and had a sense of humor that simply stuck with a person. I will miss seeing him at the Friday breakfast meetings, ham feast and field day events. Jim you will be missed by many and remembered by many more. God Speed...*
