I think about you a lot, and love you more every time I see your picture. We weren't given many chances to spend time together, but we're family, and that makes up for all the lost time. I hope you're watching down on us with a tear of happiness in your eye. Because even though we're all heartbroken that you're not here anymore, you'll always be watching over. I miss you, and I'm blessed to call you family. I love you. Rest in paradise angel.

Oh my Good Lord, Nooooo. Janet, I just found out a couple months ago. I'm so sorry it had to be you. I miss you and the boys so much. Never even got the chance to see your baby girl. You finally got your mini you. I am so concerned about your baby's. I pray they are in good hands. No one can love them, the way you did. You were an amazing mother. All your children loved you so much. You were what they needed. You showed them so much love. I miss you baby girl. Wish you were still here. I will always remember you. You were one hell of a friend, mother, and I'm so sorry you were taken from us so soon. I love you Janet. ♥♥♥♥♥♥♥♥♥♥
