“ Dear Bill and family,
Having worked with Janice for a number of years we shared thoughts and through that I knew Janice as a loyal friend, a loyal, hardworking employee and a person devoted to her family, no matter the cost. She was one in a million and she will always be in my heart I loved our cross country skiing excursions and the hikes. Beautiful memories! Bless you for being the caring, loving family that meant so much to her.

“ Bill, I remember Janice as the first resident I met at High Gate. I enjoyed helping her and loved making sure she looked her best every day I worked. I appreciate the necklace you left for me as well as the note of encouragement. Janice's spirit will forever live in my heart as well as the hearts of many others. What a special lady

“ Bill and family, My deepest thoughts are with you in this difficult time. Bill, you taught me at Brewster High school. I remember Janice coming to our class bringing cookies and always giving you a hard time. She was a wonderful lady. I married Nick Morical. He passed last December in Wenatchee. My prayers are with you all.

“ Dear Bill,
You and Janice were two very welcoming members of the Wenatchee community when my wife and I first arrived in '76. Throughout the years I have always looked forward to those chance encounters because of the warmth and friendship you offered. Your unconditional commitment to Janice through these final years has been a powerful witness to me and I believe to many. What a beautiful love story. May God richly bless you, my friend,

Dear Bill, I will always remember how gracious Janice was when the Alpine Club came to visit your house and sat by the fire after an outing. I enjoyed hiking with her. She walked slowly enough for me to keep pace. This has been a long journey for you and I hope you have found peace. It is inspiring how you always stayed by her through all of it.
