“ Dear cousin, I feel blessed that I was able to get to know my Aunt Jeanne during her later years and will miss her and our regular phone conversations greatly. She was a force to be reckoned with and had a wicked sense of humor. I appreciate the many pictures and family stories she shared with me that I otherwise would have never known. I thought she would live forever and will miss her. Rest in peace, Aunt Jeanne!

“ Galyn, my sympathy at the death of your mother. I remember her visiting the summer you stayed with your father and family in Cashmere. I thought she was pretty glamorous!
