“ I too am sorry for the loss of Jeannie. I did reconnect through Facebook and always enjoyed her wit in life and at school. She will definitely be a light to the other side.

“ We were so sorry to hear about Jeannie. We were close friends in high school. Jerry and I were in Jeannie and Dave's wedding. She was such a nice person and so much fun!

Jeannie was one of the finest people and friends I have ever had the pleasure to know. I started to know her around 1976 when she worked at a little newspaper shop on main street Wenatchee. We boated with her then husband Dave and became life long friends. I always knew what was going on with her because my wife, Diane, was best friends with her and I was always filled in with the latest. Jeannie and I always had a secret affair. Just kidding, but we did love each other. What a wonderful LADY. Kevin O.
